#### **MAINTENANCE TIDBIT**

All Carroll Apartments Residents.... Please be advised that all laundry should be stored in laundry baskets, and NOT piled up in the utility room. Clothing piled in the utility room can be a fire hazard as they can block air passage to the water heater, as well as, the furnace.

Also, piles of clothing can create a tripping hazard, and is a nuisance when the maintenance staff need to enter your utility room to complete a work order request. Please be sure to keep your utility room free of fire/safety hazards!

#### **GRANDMOTHER JOKE**

It was Timmy's 5th birthday and he was joyfully opening all the presents he had received. He saved the biggest for last, so it took a while until he got to opening Grandma's present. "Wow, this is what I have always wanted!" Timmy exclaimed in delight upon seeing the mini drum set the his Grandmother got for him. It was later that Timmy's mother approached her mother. "Ma, I'm surprised at you, don't you remember how it used to drive you crazy when we used to play drums in the house growing up?" Grandma smiled, and said "I remember, of course I remember."

## ATTENTION SENIORS.... COMBAT LONELINESS WITH THESE SIMPLE TIPS

Experts agree that senior loneliness is a chronic issue. Many seniors feel that "empty-nest" syndrome after retirement, and even more so after the loss of a spouse. Prolonged loneliness can lead to isolation, depression, and even desperation. Feeling down on yourself, or relying on others for your happiness is no way to live. You should not blame yourself for not being as mobile as you used to be, or children for not visiting often enough. Instead make the most of your golden years with these simple tips.

#### Find a hobby

- Visit the local library to find books and magazines on thousands of hobbies, such as cooking, golfing, baking, needlework, bird watching, etc. There, you are sure to find ideas for hobbies that meet your interests and abilities.
- Write your memoir. Start by jotting down everything you can remember from your child-hood until present day. Then, organize the memories into groups (childhood, teen years, adulthood, etc.). Next, tell your story, as you remember it. Remember, it's your life story, it can be told anyway you want it to be.

#### Join a group

- Check the local senior center for events happening all the time.
- At the local library you can join book discussion groups, knitting and crochet groups and many more all for free.
- Start going to church. If you have never been before, don't worry, they always accept new members. It would be a wonderful support system for you.

#### Volunteer

- Senior centers, libraries, pre-schools, churches an many other community groups are constantly looking for volunteers. It is a great way to meet new people and feel good about helping others.
- Try helping out with the grandkids. Perhaps taking the shift from after school until dinner time would be helpful to their parents, and it would give you some quality time (but not too much) with the children.
